# 2014 ISSA Volunteer of the Year
# Phil Rogofsky, CISSP, CPA

"On behalf of the ISSA Awards Selection Committee, I would like to congratulate you on being offered the 2014 Volunteer of the Year Award! ISSA thanks you for your contributions to the security community and sustained membership in the association."

Phil has been an active member of the Baltimore Chapter of ISSA since 2008. He has been on the Chapter Board of Director since 2009 and has served as the Vice President of Professional Development and the Treasurer. He has served on the Boards of Directors for the Association of Government Accountants, SSA Toastmasters and several local Jewish organizations.
Phil works for the Social Security Administration Office of Inspector General as an Audit Manager in the IT Audit Division. Phil earned his Master of Science degree in Management of Information Systems from Bowie State University in 1999. He has a CISSP and CPA certifications. Right now his biggest security issue is preventing his son from hacking into his iTunes account.

# Baltimore Chapter Sponsors

# Please welcome our newest sponsor:

For over 15 years, Phoenix TS has been providing a full catalog of vendor-specific and vendor-agnostic IT, business process and management training solutions to individuals and organizations around the globe. Training courses and certification examination services are available through public schedule enrollment, both in-person and online , and through private engagements either onsite or hosted, both can be delivered either in-person or virtually.

Phoenix TS combines instructional delivery of new technologies with hands-on learning that is proven to solve any organizational road block through the application of consistent, measurable and repeatable processes. Our students consistently return to our training services to increase their knowledge and enhance their skill sets due to our commitment to always proving the most effective and efficient training experience specific to an organization's needs

# September 24, 2014 Speaker
# Bob West
# CipherCloud, Inc.

Bob West joined CipherCloud after more than a decade in security leadership roles with financial and professional services organizations where he oversaw security strategy, audit and compliance and across global teams. He has held Chief Information Security Officer roles at Fifth Third Bank and Bank One, led Ernst & Young's security practice, and was a Senior Systems Officer with Citicorp. He most recently served as founder and CEO of Echelon One, a fast growing risk consulting firm.

He has also served on the advisory boards of Securent (acquired by Cisco) and TriCipher (acquired by VMWare), and as a member of RSA Security's Customer Advisory Council and the ISS Customer Advisory Council. He was also a member of the IT Sector Coordinating Council and of the International Cybercrime Subcommittee.

West is a frequent speaker on information security, cloud computing and global policy issues such as payment fraud and critical infrastructure. West is on the board of management for the Jericho Forum, and on advisory boards for Agiliance, AirPatrol, CipherCloud, the Hispanic Information Technology Executive Council, and Trusteer.

## Information Systems Security Association

# August 27, 2014 Speaker
# Edward Clarke
# Maryland Center for School Safety

In 2000, Mr. Clarke became the director of the police academy after a long distinguished career in law enforcement. After retiring from the Montgomery County Police, Mr. Clarke worked for the department of School Safety and security. As the director, Mr. Clarke was responsible for providing a safe and secure learning and working environment for 140,000 students, 20,000 employees and more than 199 schools and facilities. Under Mr. Clarke's leadership, MCPS has developed and implemented a comprehensive emergency response plan. With his vast experience in physical security Mr. Clarke has presented numerous training sessions.
