Why attend?

Gain credibility as a security expert.

Become a more marketable/hirable candidate.

Become/remain contractually compliant (DoD 8570.01 Manual / DoDD 8140)

Improve IT security skills and enhancing productivity.

Save money over “boot camp” style courses.

Our Study Group fosters a learning environment to better absorb and understand the material.

This is much better than the alternative of cram it in and regurgitate it on a test immediately following.

Our approach simply makes the information more useful and easier to interpret!

You can attend each session in-person in Columbia, MD, or attend virtually on line. Your choice.

Meals are included each night for in-person sessions

Bonus: Pass your exam within 6 months; get a free year of ISSA membership on us!
